testimonial 1

Scott at SSP Studio was amazing in every sense of the word. He did an engagement shoot for us. He was super flexible to our schedule, fun to work with, not to mention the amazing shots he captured. Furthermore, he emailed us copies of the photos in under 30 minutes! It was remarkable. He is fairly priced, very skilled, and his customer service is second to none. After our experience on our engagement shoot, we are booking him for the wedding also. I highly encourage you to do the same. Thanks Scott!
